CREDIT UNION ONE OF OKLAHOMA ANNOUNCES 2010 SCHOLARSHIP WINNERS

OKLAHOMA CITY – Credit Union One of Oklahoma in Oklahoma City awarded two Oklahoma students with scholarships at the credit union’s 61st Annual Business meeting at the Oklahoma Credit Union House. The CU Discover club is proud to announce the two recipients of the third annual CU Discover Scholarships: Julia Garret and Christine Kiplinger both of Oklahoma City.

Garrett is a high school senior at Classen School of Advanced Studies with a grade point average of 3.7. She has applied to several Oklahoma colleges and plans on majoring in Biology.

Kiplinger is currently attending the Knox College in Illinois studying Biology and German. She has a 3.67 grade point average and had a great opportunity to study abroad in German for 10 months.

The scholarship winners, who are members of the credit union, received the awards to assist them with their academic careers. Scholarships were awarded based on the diverse criteria of academic excellence, commitment to community, extracurricular activities, and an essay.

“Credit Union One of Oklahoma considers education, both academic and financial, an important aspect of our philanthropy,” said William C. Lavin, President/CEO. “Helping our members and their children succeed in their educational goals is an integral part of our overall mission.”

The scholarship committee was extremely impressed with the high caliber of applicants, which made the selection process particularly difficult. Ultimately, however, they had to make their final selections. They would like to thank all applicants for the effort they put forth during the application process and encourage them to apply for the scholarship again next year.

About Credit Union One of Oklahoma:
